

Job Opportunity:

**Student Worker (Hourly Basis)  
at the Department of Business Administration**

**Prof. Christiane Barz, Department of Business Administration, at the University of Zurich (UZH)**, is looking for a motivated **Student Worker** to assist with a short-term project expected to conclude in **April 2025**. This role is an excellent opportunity to gain hands-on experience with data collection and analysis while contributing to cutting-edge research on the Eurovision Song Contest.

**Job Description**

- **Position:** Student Worker, hourly basis
- **Start Date:** As soon as possible
- **Duration:** Until April 2025
- The position is paid on an **hourly basis**, in line with standard rates for student workers at UZH.

**Key Responsibilities:**

- Collecting data via data scraping and/or web searches.
- Organizing and processing data using Excel.
- Writing and running scripts for data extraction and analysis in Python.

**Requirements**

- Enrolled student
- **Technical Skills:**
  - Proficiency in Python for data scraping and processing.
  - Advanced knowledge of Microsoft Excel for data organization and analysis.
- **Availability:**
  - Able to commit to at least 40 hours in both January and February 2025.
  - Preference for candidates who can allocate additional hours in January.

**How to Apply**

To apply, please send the following to [christiane.barz@uzh.ch](mailto:christiane.barz@uzh.ch):

1. **Your CV** (highlighting relevant experience).
2. **A short cover letter** detailing your motivation and availability.

**Application Deadline:** as soon as possible, latest by January 15, 2025

**More information**
